

NDDOT EROSION & SEDIMENT CONTROL CONSTRUCTION CERTIFICATION TRAINING 2024

The NDDOT Erosion and Sediment Control Construction Certification Program provides information on regulations & special provisions; temporary & permanent erosion and sediment control measures; SWPPP development & management; and project management & phasing.

This certification is mandatory for NDDOT personnel, prime/sub-contractors, contractors responsible for installation of erosion/sediment control measures, private consultants working on NDDOT construction projects.

The certification is good for 4 years. You can check the status of your certification [HERE](#)

All classes begin at 10:00am on Tuesday and conclude by 5:00pm on Wednesday. Cost for the class is \$325. [REGISTER HERE](#)
